 - with no seals or plastic parts in the product area it is easy to clean and maintain.

Technical Specifications

Model	Sagola V2 PD
Dimensions	172 x 53 x 72mm
Weight	552g
Air Inlet Coupling	19mm
Product Inlet Coupling	6.35mm
Maximum Air Pressure	8bar
Working Pressure	2 - 3bar
Air Consumption (2bar inlet)	147 lpm
Average sound pressure level	80dB
Materials in contact with the product	Stainless steel, nickel-plated brass, tressylene, carbonitride steel.
Compliance	ATEX II 2G Ex ia IIC T4 Gb
Recommended application distance	18 - 20cm

Part Numbers

Sagola V2 PD Automatic Spray Gun with PD Aircap & 6.00mm Stainless Steel Needle & Nozzle

Part Number: PG10259203

Sagola V2 PD Automatic Aircap

Part Number: PT51410172

Sagola V2 PD Product Needle: 6.00mm

Part Number: PT56410251

Sagola V2 PD Product Needle Head

Part Number: PT51610112

Sagola V2 PD Nozzle: 6.00mm

Part Number: PT55011312
