

Sagola 4100 Xtreme Ceramic Pressure Spray Gun

Perfect for intricate ceramic applications requiring abrasive products, the Sagola 4100 Xtreme Ceramic ensures swift application and unmatched finish quality.

Ergonomically designed for prolonged comfort, this spray gun maintains perfect balance during extended use. With minimal maintenance requirements due to its seal-free and plastic-free design in the product area, it's easy to clean and upkeep. Featuring tungsten carbide needles and nozzles alongside anodized aluminum air caps, it offers corrosion resistance, guarding against wear from abrasive products.
