

Sagola 4100 Xtreme PD Pressure Spray Gun

The Sagola 4100 Xtreme PD Pressure Spray Gun is designed for dense products and is ideal for road marking paints, primers, waterproofing, intumescent and soil stabilising coatings.

This spray gun provides cost-effective efficiency without compromising quality. From warehouse floors to road marking paints, cementitious intumescent coatings, sound deadening materials. The Sagola 4100 Xtreme PD Pressure Spray Gun caters to a wide range of applications. Equipped with a Duck Bill Air Cap, the spray gun enables precise application, ensuring sharp edges on road lines and facilitating spraying into hard-to-reach areas with ease.

Technical Specifications

| Model | Sagola 4100 Xtreme PD Pressure Spray Gun |
|-----------------------------------|--|
| Dimensions | 200 x 190 x 420 mm |
| Weight | 552g |
| Air Inlet Coupling | 19mm BSP Male |
| Product Inlet Coupling | 6.35mm BSP Male |
| Design Pressure | 8bar |
| Working Pressure | 2 - 3bar |
| Air Consumption (2bar inlet) | 147lpm |
| Average Sound Pressure Level | 80 dB |
| Materials in contact with product | INOX, POM, Teflon and Nylon |
| Compliance | ATEX II 2G x (Directive 2014/34/EU) |
