

Sagola 419 Premium Pressure Spray Gun

The Sagola 419 Premium Pressure Spray Gun proves optimal for stucco, non-slip coatings, decorative flakes, rendering, and is versatile for waterproofing and compatible with cementitious coatings.

Engineered for superior performance, this spray gun combines product and air regulators, an air on/off valve, trigger lock, and a product anti-jamming system. Its non-stick coating facilitates effortless cleaning, while its compatibility with Elcometer P30B & Elcometer P60B Pressure Tanks ensures easy application.
