

Sagola Air Spray Product Hose

The Sagola Air Spray Product Hose is a Thermo Rubber Product Hose for Air Spray (Low Pressure) Systems.

Features

- Thermo rubber.
- Light, flexible, manageable and twist free.
- Swivel couplings.
- Can be used with adhesive products.

Technical Specifications

Air Spray Product Hose

Max Working Pressure	100bar
Breakage Pressure	300bar
Temperature Range	-20°C to 65°C
Dimensions (I/D x O/D)	8 / 16mm
Material (inside)	PA Polyamide + Polyester
Material (outside)	Thermo Rubber
Colour	Black
Connections	3/8" Swivel Couplings
