

Sagola Mini Xtreme Mix Air Assisted Airless Spray Gun

The Sagola Mini Xtreme Mix Air Assisted Airless Spray Gun is the perfect choice for French Polishers requiring high quality finishes of UV on complex shapes or hard to reach areas.

Features

- Compact and easy to use
This spray gun features a 360° revolving swivel for ease and comfort of operation and prevents hoses from coiling up.
- Comfortable and lightweight
- Further enhancing usability, this air assisted airless spray gun is small and lightweight.
- Versatile
- Designed for use with any assisted airless pump up to 200bar (2900psi) fluid pressure

Technical Specifications

Model	Description
Dimensions	172 x 190 x 182mm - with cup
Weight	555g
Air Inlet Coupling	M16
Product Inlet Coupling	6.35mm BSP Male
Product Filter	100 Mesh
Design Pressure	200bar
Working Pressure	150 - 200bar
Air Consumption (at Aircap)	150lpm
Compliance	ATEX II 2G x (Directive 2014/34/EU)

Packing List

Sagola Mini Xtreme Mix Spray Gun, Sagola Mini Xtreme Mix Aircap
 100 Mesh Product Filter (x1)
 Yellow Spring (Max WP 120 bar)
 Red Spring (Max WP 200 bar)
 Cleaning brush
 Wrench
 Tungsten Carbide Needle
 Nozzle Kit
 Air Assisted Airless Spray Tip (x1)

Application Guide
