

# Sagola Mini Xtreme Pressure Spray Gun

The Sagola Mini Xtreme Pressure Spray Gun is lightweight and ergonomic, ideal for use all day, every day.

The Mini Xtreme Pressure gun's compact size makes this gun the perfect choice to work in difficult to access areas. Ideal for spot repairs lettering or complex surface areas.

## Features

- Ideal for continuous use: Lightweight and ergonomic for comfortable use over long periods.
- Low maintenance: no gaskets, seals or plastic parts, just metal to metal technology
- Interchangeable aircaps, and needles & nozzles: for a high quality of spray, whatever the coating.
- Huge fan width & fast application: Supported by a pressure pot or a double diaphragm pump, this small gun is able to reach outstanding levels of product flow in huge fan patterns of more than 40cm.
- Versatility: Its wide range of interchangeable aircaps and nozzles makes it suitable for any industrial bodyshop work. From finishes to design lines or lettering.

## Aircap, Needle & Nozzle Kits

### Application Guide

Aircap / Needle & Nozzle Combination	Mini EPA	Mini VIT	Mini HVLP
Clearcoats	0.8 - 1.0	1	0.8 - 1.0
Basecoats	1.0 - 1.2	1.0 - 1.2	1.0 - 1.2
Sanding Surfacers		1.2	1.2
Wet / Wet Primers		1.2	
Fillers		1.2	

## Technical Specifications

Model	Sagola Mini Xtreme Pressure
Dimensions	158.1 x 18 x 164.83mm
Weight	383g
Air Inlet Couplings	6.35mm Male BSP
Product Inlet Coupling	9.5mm Male BSP
Design Pressure	8bar
Working Pressure	2 - 3bar
Compliance	ATEX II 2G T60°C X (Directive 94/9/CE)

## Packing List

Aircap, needle & nozzle kit (fitted - depending on part number ordered)  
 Accessory Wrench for removing / fitting the nozzle  
 Cleaning Brush  
 Key Assembly for changing the Air Valve Kit

## Part Numbers

### Sagola Mini Xtreme Pressure Spray Gun, Mini EPA Aircap - 0.80 Needle & Nozzle Kit

This Sagola Mini Xtreme Pressure Gun is supplied with a mini EPA aircap and 0.80mm needle and nozzle. It is ideal for use with clearcoats.

Needle & Nozzle Size: 0.80 (0.80mm)  
 SG Mini Xtreme Aircap Type: Mini EPA

Part Number: **PG10111904**

### Sagola Mini Xtreme Pressure Spray Gun, Mini EPA Aircap - 1.00 Needle & Nozzle Kit

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.00 Needle and Nozzle and a Mini EPA Conventional (CA) Aircap. It is ideal for clearcoats and basecoats.

Needle & Nozzle Size: 1.00 (1.00mm)  
 SG Mini Xtreme Aircap Type: Mini EPA

Part Number: **PG10111905**

### Sagola Mini Xtreme Pressure Spray Gun, Mini EPA Aircap - 1.20 Needle & Nozzle Kit

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.20 Needle and Nozzle and a Mini EPA Conventional (CA) Aircap. It is ideal to use with Basecoats.

Needle & Nozzle Size: 1.20 (1.20mm)  
 SG Mini Xtreme Aircap Type: Mini EPA

Part Number: **PG10111906**

### Sagola Mini Xtreme Pressure Spray Gun, Mini VIT Aircap - 0.80 Needle & Nozzle Kit

The Sagola Mini Xtreme Pressure Gun is supplied with a 0.80 Needle and Nozzle and a Mini VIT Conventional (CA) Aircap. It is ideal to use with Clearcoats.

Needle & Nozzle Size: 0.80 (0.80mm)  
 SG Mini Xtreme Aircap Type: Mini VIT

Part Number: **PG10111907**

**Sagola Mini Xtreme Pressure Spray Gun, Mini VIT Aircap - 1.00 Needle & Nozzle Kit**

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.00 Needle and Nozzle and a Mini VIT Aircap. It is ideal to use with clearcoats and basecoats.

Needle & Nozzle Size: 1.00 (1.00mm)  
 SG Mini Xtreme Aircap Type: Mini VIT

Part Number: **PG10111908**

**Sagola Mini Xtreme Pressure Spray Gun, Mini VIT Aircap - 1.20 Needle & Nozzle Kit**

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.20mm Needle and Nozzle and a Mini VIT Aircap. It is ideal to use with basecoats, Sanding Surfacers, Wet / Wet Primers and Fillers.

Needle & Nozzle Size: 1.20 (1.20mm)  
 SG Mini Xtreme Aircap Type: Mini VIT

Part Number: **PG10111909**

**Sagola Mini Xtreme Pressure Spray Gun, Mini HVLP Aircap - 0.80 Needle & Nozzle Kit**

The Sagola Mini Xtreme Pressure Gun is supplied with a 0.80 Needle and Nozzle and a Mini HVLP Aircap. It is ideal to use with clearcoats.

Needle & Nozzle Size: 0.80 (0.80mm)  
 SG Mini Xtreme Aircap Type: Mini HVLP

Part Number: **PG10111901**

**Sagola Mini Xtreme Pressure Spray Gun, Mini HVLP Aircap - 1.00 Needle & Nozzle Kit**

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.00 Needle and Nozzle and a Mini HVLP Aircap. It is ideal to use with clearcoats and basecoats.

Needle & Nozzle Size: 1.00 (1.00mm)  
 SG Mini Xtreme Aircap Type: Mini HVLP

Part Number: **PG10111902**

**Sagola Mini Xtreme Pressure Spray Gun, Mini HVLP Aircap - 1.20 Needle & Nozzle Kit**

The Sagola Mini Xtreme Pressure Gun is supplied with a 1.20 Needle and Nozzle and a Mini HVLP Aircap. It is ideal to use with basecoats and sanding surfaces.

Needle & Nozzle Size: 1.20 (1.20mm)  
 SG Mini Xtreme Aircap Type: Mini HVLP

Part Number: **PG10111903**
