

Sagola Mixing Cups

Made of polypropylene (PP5), high breaking thermal and chemical strength, the Sagola Mixing Cups are suitable for all paints. Four sizes are available to suit every need, all of them with feet to prevent spills by sticking to the table. Reinforced upper border for safe handling once filled, even in the largest size. Outer silkscreened high quality and solvent resistant.

Mixtures and dilutions of all types of varnishes and single-stage paints 2K, HS, MS, Polyurethanes, pigmented lacquers, waterborne basecoats.
